WHAT IS DHOLERA SIR?

Dholera smart city is a platinum rated Greenfield (new) city under construction near Ahmedabad. It is based on Singapore & Shanghai development model. It has 4 way connectivity which includes:

- **By Road** – Express highway of 250m (NH 751),
- **By Rail** – Proposed Metro connectivity to Ahmedabad (MRTS),
- **By Air** – Dholera International airport (International, Domestic and Cargo) and
- **By Sea** – Pipavav is the nearest port, also connected to major ports of Mundra and Kandla.

It has multiple zone like Residential, Commercial, Industrial and Recreational like any other developed city. It will act as a twin city of Ahmedabad with advanced infrastructure.

Dholera SIR has an area of 920 Sq.Km., which is divided in 6 Town Planning Schemes and consists of 22 villages of Talika Dholera, as shown in the map.
